HIRE CATALOGUE

EJ
a touch of wild

Antique Brass Candlesticks
30+ Available. Varying sizes.

Suggestion: Candlesticks elevate a wedding tablescape. We love dressing these antique brass candlesticks with luxury colour matched Danish tapered diner candles and pairing them with pretty glass bud vases for an elegant & timeless wedding breakfast.

Candle Holders

Cut Glass Candlesticks
50+ Available. Varying Sizes.

Suggestion: Candlesticks elevate a wedding tablescape. We love dressing these cut glass candlesticks with luxury colour matched Danish tapered diner candles and pairing them with pretty glass bud vases for an elegant & timeless wedding breakfast.

Glass Tea Light Holders.
50+ Available.

Suggestion: We love mixing tea lights with tapered dinner candles to add interest to a table alongside that dreamy candlelit glow!

Candle Holders

Glass Hurricane Candle Sleeves & Holders

30+ Available. Varying sizes.

Suggestion: Perfect for venues with a “no open flames policy”. Our candle sleeves give a modern touch to a wedding tablescape. They look fantastic with our luxury colour matched candles.

Tip – Candle sleeves require a high-quality non-drip tapered candle; we recommend using candles sourced from our luxury candle makers in Denmark.

Luxury Colour Matched Candles

Available in colours to go with every scheme.

Suggestion: Drip free and smoke free, our luxury colour matched candles, sourced in Denmark, are the best of the best. There are so many colours and tones to choose from we can suggest options to compliment your floral displays and the rest of your wedding décor.

Candle Holders

Glass Pillar Candle Holders

20+ Available. Varying sizes.

Suggestion: Perfect for venues with a “no open flames policy”. Pillar candles can be used in a variety of ways throughout your wedding; placed down staircases, along your aisle or next to your welcome signs as well as positioned on your wedding breakfast tables. For round tables, a cluster of 3 or 5 looks lovely in the middle or for trestle tables they look great dotted down the centre of the table.

Centrepieces

Gaia Footed Bowls. 12 Available.

Suggestion: Perfect for classic or modern floral centrepieces. They work wonderfully with all types of colour palette.

Antiqued Metal Footed Compote.

12+ Available. Suggestion: A smaller footed bowl option with an antique finish. They work wonderfully with all types of colour palette.

Patterned Glass Bud Vases.

100+ Available.

Suggestion: Bud vases look beautiful when mixed with tapered candlesticks. Adding height and interest to a tablescape.

Signs & Stands

Copper Sign Stand. 2 Small. 1 Large Available.

Suggestion: The smaller stands are perfect for welcome signs or table plans, whereas the larger sign works well for a neon sign. These can be dressed with florals for an extra botanical flourish.

Hand-Drawn Custom Frosted Acrylic Signs

Suggestion: Frosted acrylic signage works perfectly with our copper stands. From welcome signs to table plans we can fully customise your wedding signage.
